Network Controller Driver Windows 7 Lenovo G580

There is a problem with these drivers they have posted on their website And another comment says he also couldn't find the drivers.. Free drivers for Lenovo G580 for Windows 7 Found 45 files Please select the driver to download.. But none of them actually worked The driver is not found in both of Win7-64 bit and 32bit.. Additionally, you can choose Operating System to see the drivers that Re: G580 - wireless driver for win 7 (64bit) That's what I found from Lenovo's support site.
